Subject: Re: DEP Response to NRCS Reissue of Job Approval Authority Memo

Thank you Kristen. This is a big deal and a big problem. Glad Dana got a response out quickly. K

Subject: Reissue Job Approval Authority Memo

Hi Everyone,
Recently we have received a lot of calls from Districts regarding NRCS' policy on Job Approval Authority that is extended to some conservation district employees. Attached is the letter that we issued In December, 2013. NRCS policy has not changed. Please contact myself or Hosea Latshaw, State Engineer, if you have questions.

Denise
